

## **GAMES TWILIGHT 13**

**There is now doubt who has the widest smile in the Wanganui Keelty family following the very popular Masters Games twilight combo competition which involved darts, ten pin bowls, smallbore rifle shooting and putt putt golf.**

**Both Gordon and Marjory Keelty are 60 year old and they are heavily involved in a wide range of sports in the city.**

**Naturally they should tackle the twilight combo where Gordon carried off his age group title while his wife had to settle for a silver medal behind Margarett Marshall, also from Wanganui.**

**Six of the nine titles went to Wanganui with Christopher Arthur, Murdoch McKenzie, Murray Ansley, Gordon Keelty, Hayley Lewis and Marshall all winning gold medals.**

**Aucklanders Dick Smith, 70, and Lorraine Chamberlain, 58, plus 36-year-old Danielle Morehu, from Christchurch, also won titles in an event that attracted 367 competitors,**
